Editor's note

From nothing God created the universe says the author of the first book of the Bible. That is possible only for the omnipotent God but for us humans creating is possible only when you have what is called the 'stuff' which could be inspirational thoughts, events needs, knowledge, other peoples support.... What has become the 'stuff' for creating the annual college magazine Charlian Spirit – the one in the series is amazing. This 'Stuff' always available but no one ever thought could become the material for making of this magazine that enlarges the view of SCCE to the readers to grasp the What, When, Who and Why of all that goes on in SCCE in the fabrication of the pillars of the society the young teachers.

Our honourable professors' authentic narration of events of the college that has enhanced their abilities for creating has become the major content of this magazine.

Definitely the co-coordinating committee members who are headed by Sr. Sabina Jose are to be congratulated for planning their panoramic view of SCCE through this year's issue of Charlian Spirit. May SCCE continue creating , 'clay' into gifted teachers and through them change, chaos into harmony wherever they are to create a world of love peace and unity.

Dear Staff and Students,

I am glad to pen these few lines on the occasion of the 12th anniversary of St. Charles College of Education. A journey of 1000 miles starts with a single step.

I wish to start with a small story to illustrate what is important in the life of an educationist. A small boy was watching with amazement a balloon vendor selling all the colours of balloons green, red, yellow and blue. The balloons filled with helium went very high and the sale was very good.

The little boy nudged at the vendor to ask him “will a black balloon too go high”. The old man replied defiantly “boy but it is not the colour that matters but what is inside the balloon.”

So also it is not what you learnt that matters but what you make of your learning, how you use and how much you use it. Dear student teachers may your knowledge turn into wisdom to ignite those whom you teach. I wish the manager, principal, staff and students all the best and pray God’s abundant blessings on you, your family and your institution.

I was invited as Chief Guest for the inauguration of the current batch of B. Ed students of SCCE in August this year (2018) which was a truly one of a great experience for me. I got totally engulfed with positive vibrations as soon as I drove into their immaculately maintained, sprawling and idyllic campus! Renouncing worldly ways of life to totally dedicate themselves to religion and for the furtherance of the cause of education, it's an amazing sight to see the Sisters go about ultra-efficiently discharging their duties with utmost sincerity and total devotion! It's again quite a marvel to see how the Sisters inculcate in the students a sense of duty, discipline, and a subtle intellectual sophistication - all essential qualities of a teacher - right from day one in the inaugural function itself!!

Christian missionaries of all denominations have been in the forefront championing the cause of women's education since pre-independence days. And, here in St. Charles College of Education, Madurai, they wonderfully champion the cause of women educators - the young female teachers of tomorrow who would teach literally tens of thousands of children throughout their long career ahead - and be largely instrumental in producing leaders of tomorrow in all walks of human life!

Contribution to nation building couldn't get any better than this!

SCCE is a crown jewel among educational institutions in Madurai and easily the best College to join for all young ladies dreaming of entering into the noble profession of teaching armed with a coveted B. Ed degree. I salute all the Sisters here who strive selflessly to help realize the dreams of these budding lady teachers of tomorrow!

My hearty best wishes to SCCE and may it's noble services keep expanding and benefit progressively ever larger sections of the society in the years to come!

Thank you!

Dear Rev. Dr. Sister Principal

I am happy to learn that the twelfth issue of the St Charles College of Education Magazine is to be released on the occasion of the thirteenth annual day celebrations. I had the fortune of being part of a one day international conference hosted by you on 12th October 2018 on English Literature and Education as a Resource Person and delivered a keynote address on "Misconceptions of English and English Language Learners."

I was really astonished at the phenomenal growth the institution has attained during its journey for the past decade. I wish that it becomes a Centre of Excellence on Education and Research before the end of the second decade of its growth and I also wish that it becomes an autonomous institution in the near future.

I am sure that society has recognized the institution as committed to providing quality education to teacher-trainees with the state-of-the-art infrastructure against an aesthetically designed academic ambience. Experienced and committed faculty members are the asset of the institution in its effort to mould hundreds of quality teachers who are required to build a New India in the twenty first century. I am sure that St Charles College of Education will scale greater heights in the years to come!

I wish the management, faculty, and students all the best in all their future endeavours!

Felicitation

It is very heartening to observe that during the past 12 years, the college has shown excellent progress. A college may reach heights of glory but without materials like a college magazine, the outside world may not know of it. The role of a college magazine is therefore vital in promoting what an institution offers. It brings out into the open things hitherto unrevealed. It brings to light the names of the unsung heroes and their mighty deeds.

It is a matter of happiness that your College is publishing the magazine. I hope the magazine would not only provide an appropriate platform to the students to exhibit their creative ideas and literary skills, but also highlight the activities of college.

I wish the Management, organizers, teachers and students of the College all success in their endeavours and best wishes for successful publication of the magazine.

It is a privilege granted to me to write a few words on St. Charles College of Education, situated in the natural setting on the outskirts of Madurai city, Thirunagar. It is the first year of the second decade since its inception.

With the humble beginning of charity work for the rural poor now it has created an educational vibration in the villages around its locality. Education is a powerful instrument in socializing a child to become a contributive citizen to the society. This college tries to materialize it.

Interacting with the teacher students it was observed that lecturers are being recruited with additional qualifications of sympathy, kindness and generosity. The students are mostly from rural areas with low social segments and poor affordability but are given utmost care and encouragement.

Punctuality, regular hard work, team spirit, professional ethics and character building are the unwritten components in the syllabus being followed every day. This apart, all the women teacher students are imparted social skills to face the hurdles and challenges in their lives.

It is undoubted that the teachers will gain a unique identity in their career by their educational service to the students. The management deserves a special appreciation for its adequate support.

The days spent in the campus will ever be remembered by the teacher students, even by the academic visitors and the parents for its heartwarming atmosphere.

I am neither a Christian nor alumni of any Christian institution but I am a strong believer of truth that educational development of Tamil Nadu cannot be written without mentioning the contribution of colleges run by missionaries. St. Charles College of Education, Madurai is one such college for the coming generation.

Years gone by were good. Let the years to come be better.

I wish "Let the annual day function itself be a message to the society every year."

ANNUAL REPORT OF 2017- 2018 PRESENTED ON 13th APRIL 2018- THE COLLEGE ANNUAL DAY

Introduction

Good evening everybody.

Pleased to address this August gathering and present this report which is our bounden duty on the annual day of the College. Let me take the privilege of greeting our guests personally at the outset.

We are highly honored by the presence of Dr. Muthumanikam Dean Madurai Kamarajar University, our esteemed chief guest of the day. With equal pleasure I greet our guests of honour Dr Sendurapandi Principal of Senthamarai College of Arts and Science, Madurai. Thanks for accepting to be here with us in the southern suburb of this temple city.

I gladly welcome and extend my greetings to you dear Mrs. Geetha Sundarajan. Greet you dear Sr. Puniitha, superior of our Community, Rev. Frs, Rev. Sisters, parents, friends, IQAC members, educators and dear student teachers. Our being together here keeps us elated this evening.

St. Charles College of Education is in its twelfth year and by presenting our activities of the year 2017 -18 we believe we bring to our sincere well-wishers and stake holders the facts to assess, accredit and suggest ideas for its development and for the welfare of our students.

The XI Annual Day celebration was held on 22th April 2017. The Chief Guest of the day was Dr. Sarala Themavani the then Principal of Sri Meenakshi College of Arts and Science Madurai who stressed the essence of training teachers in the present context. Mrs. Anandavalli the welfare officer was our guest of honour that day. She was all full of praises for the mixture of activities added to enhance the curriculum.

The 10th College annual magazine 'Charlian Spirit' and the 7th issue of IQAC News letter were released on this occasion. The winners of various competitions held during the academic year 2016-2017 were recognized with prizes and certificates. Our students enthralled the audience with their artistic performances.

Parents-Teachers Association Meet:

P.T.A Meet for the year 2016-2017 was organized on 29th April 2017 presided by the Principal. Parents shared their views and appreciated much the strident progress of their wards in the field of education and in all other human perspectives.

University Examination and Academic Results of the year 2016-2017.

Our students of 2015 batch appeared for their university examination at S V N, College Nagamalai Pudukkottai Madurai. Out of 40 of them, 35 students passed with distinction 4 secured 1 class and one was indisposed to attend her theory examination.

Commission:

24 of our student-teachers of 2016-2018 batch appeared before the commission panel appointed by the University for their Practical Examination held on 23rd and 24th Feb 2018. The convener Dr. Kannan Asst Prof. in Physical Science Education and examiner, Dr. Peter, Asst Prof. in English Education both from M S P. Nadar College of Education, Virudhunagar were appreciative of our students' performances.

Faculty:

The significant and irreplaceable pivot role played by the members of the faculty is great and inexplicable. 8 teaching and 2 of the supporting faculties have been approved by the University. I gratefully record the service of all our teaching and non-teaching staff who faithfully integrate the activities primarily for the welfare of our students.

The management always aspires to empower the staff members and exposes them to various experiences through training programmes, seminars, workshops, managerial courses and encourages pursuing higher studies. Glad to announce that Mrs. Jeyalakshmi our Asst. Prof. Bio. Education has been conferred doctorate in Science Education by Manonmaniam Sundarnar University. Sr. Sabina Jose has successfully registered for Ph.D and Mrs Nabisa is at the verge of completing her Thesis for Ph.D.

The IQAC through periodical collection of feedback on teachers, received from the students, peers and experts employs appropriate measures to enhance quality in faculty on a consistent basis and encourages the management to organise faculty development & welfare programmes regularly.

The Academic programme of the year 2017-18:

The second year students commenced the academic year in July. After a month spent in introduction and preparation of macro lesson plans they were sent to the different schools for their internship training for 16 weeks from 1st Sep-15th Dec. Periodical visits of the teacher educators to their practicing schools ensured timely guidance to the student teachers. We place on record the co-operation of the Chief Educational Officer, the District Educational Officer, IMS & the Correspondents. We gratefully remember the teachers of our model Schools who collaborated generously in organizing the demo classes in various subjects and the guide teachers of various Schools. On completion of the practice teaching period they returned to College on 16th Dec 2017.

The Orientation Programme for the first year students:

The first assembly and a solemn prayer service were celebrated to welcome our students of the 12th batch on 2nd Aug 2017. They were inducted to the B.Ed., course with an orientation programme to imbibe the vision, mission and goal of the institution. They were made known with elaborate description the different subjects of the B.Ed., programme. Mrs. Dorothy, the senior teacher of St. Charles Primary School was the special invitee to this programme stressed that integrity is the way to possess God's innumerable blessings.

Students' Union:

In the election held on 7th Aug 2017 for the first year students, Sr. Shamoli of English Education became the President, Ms. Nivya of Dept. of English the Secretary and Sr. Alangara Mercy of Maths Education the Treasurer. On 22nd Aug 2017, the union office bearers and the team captains, Ms. Abiya of Silver Team, Sr. Jasmine of Gold Team, Ms. Carmel Rosy of Diamond Team and Mrs. Saranya of Platinum Team with their respective logos, were installed & introduced. Mr. Devasagayam Rtd Prof Arulanandar College and Mrs. Indira Baskar Yoga Mistress were the Chief Guests of the day. Dr. Devasagayam emphasized the traits of a leader before he felicitated them and wished them the best.

The first year students' activities are for most part confined to the College premises: theories of philosophy, psychology, administration, and pedagogy that includes methodologies of teaching mini lessons. However all that go to add to their first hand experience to be teachers ready for new generation have been carried out through visits, camp, tour etc. They will have their theory examinations of the University and complete this year's course probably by the end of May.

Committee Meetings:

The staff members of the core committees, viz. Academic, Examination, Co-curricular, Sports, Magazine, Finance and Library met in their respective groups during the months of June and July to evaluate the plan of action of the previous year and to draft the plan of action for the year 2017-2018.

Clubs and Cells:

The cells, clubs and associations of our College were inaugurated on 19th Sept 2017. The secretaries of Human Rights Club, Consumer Rights Club, Red Ribbon Club, Prevention of Sexual Harassment Cell, Equal Opportunity Cell, Guidance and Counseling Cell, Extension Service Cell and Grievance Redressal Cell presented their action plan of the year. The key speaker of the day was, Mr. Devasahayam, Human Rights officer who gave a special talk on rights and duties of the citizens.

Rotaract and Interact Club: On 3rd October 2017 Rotaract Club was installed with an idea of extending our service to the nearby villages in collaboration with Rotarians and help slow learners and the economically backward students in a hamlet up the hill in Srinivas Nagar. Many are the efforts made toward achieving this goal through activities scattered throughout the year.

Inauguration of Art and Literary Association:

The Art and Literary Association was inaugurated on 24th of October 2017, Rtn Haneef Tayub, Madurai was the Chief Guest of the day. The secretary Dr. Aruna Sankara Velayutham presented the action plan. Our student teachers presented a cultural programme.

The Science association also was held on 4th Dec 2017. Dr. Ranjanie the associate Prof in Bio. Science Edn Mother Theresa University Kodaikanal was the chief guest. The secretary Mrs. Packiam presented the action plan of the year that was aimed at augmenting scientific attitude and scientific temper in our student teachers.

Student / Staff Development Programmes:

A State Level workshop was conducted by the management on "Next Gen Teaching Aids" on 22nd July. The workshop was presided over by our superior Rev. Sr. Punitha and chaired by our Principal Rev. Sr. Dr. Amali Anbarasi. Dr. Aruna Sankara Velayutham was the resource person. Seventy persons from different Colleges participated. All the participants went convinced of the fact that simple teaching aids are very relevant even today though we are in digital era.

International Seminar:

An International Seminar was jointly organized by our management and Roots International Journal of multidisciplinary research on "English Language Literature and Education" on 27th July. 127 scholars and student teachers participated in the seminar presided by Dr. Balakrishnan and chaired by our Principal Rev. Sr. Dr. Amali Anbarasi. Dr. Anitha Devi and Dr. Mary Ellis were the key speakers from Nanyang Technological University Singapore. Mr. Pereira from MKU Madurai, Dr. K. Govindarajan from Alagappa University, Karaikudi, Dr. R. K. Jaishree Karthiga, Tiagarajar College of Engineering, Madurai, Dr. M. Ananthi from Palani Andavar College Palani, were the chairpersons of the technical sessions. Rev. Sr. Punitha was the chief patron. Valedictory address was given by Mrs. R. Sridevi Asst. Prof in Mathematics Education from Loyola College of Education Chennai. A book and a journal bearing ISBN code were published instantly compiling the papers presented during the seminar.

Interactive white board classes:

A session on the usage of the Interactive White Board for effective teaching was organized for the student teachers along with the computer classes. The chief resource persons were Mr. Praveen and Mr. Arul respectively. Glad to say that our student teachers have developed the skill of using it deftly.

Workshop on puppetry:

A two days workshop on puppetry was organized in our College on 21st and 22nd Sept 2017. Mr. Kirubakaran and his team members were the resource persons. Students were trained to make the puppets and use them as well. Student teachers gave a puppet show at the close of the day using the puppets they had made. It was amazing.

In Service programme:

A free In Service programme on "Black Board Drawing and Concept Formation" was held on 17th March 2018 in response to the order by NCTE which was made opened to primary school teachers of Thiruparankundram range. Mr. Jaya Paul D.E.E.O Madurai and Mr. Namasvayam AEO Thiruparankundram range were the special observers of the program; Dr. Aruna Sankara Velayutham held the participants enthralled by her intelligence and skill at Black Board drawing which is the cheapest and the best of all teaching aids that is handy for every teacher.

Citizenship Training Camp:

Citizenship Training Camp was organized for a week from 18 to 22nd Dec 2017 in Thiruvalluvar Nagar. The themes of the inputs and outreach programs that highlighted the camp activities are: 'Eye Donation', 'Consumer Rights', 'Human Rights', 'Pollution Control', 'Climatic Changes', 'Water Resource Management', 'Aids Awareness, and a Medical camp held in collaboration with the Meenakshi Mission Hospital. The final day's Camp-fire ceremony was graced by Mr. B. Selvaraj, Branch Manager ECGC Ltd, Madurai.

Add on Courses:

On 5th & 6th Mar 2017, our first year student teachers appeared for the examination in Gandhian Thoughts conducted by Madurai Kamaraj University. A short course in Abacus was conducted for about 10 hours by our alumna and the president of alumni Assn, Mrs. Antanut Jeeva Malar. Communication skill development classes effectively held for the I & II year students by Mr. Padmanaban one of our well-wishers. It was certainly a special and unique program that enhanced in our students the confidence to communicate in English.

Extra-Curricular Endorsement:**Sports & Games:**

Sports & Games regular hours of games are organized team-wise every evening to enhance physical and mental well-being of our students.

Annual Sports Day:

This year Our Annual Sports Day was conducted on 9th Jan 2018. Mr. S.V.D Rajan Rtd HM Govt Hr.Sec School Ezumalai who had been at the helm of different physical development programs as a PET, was the Chief Guest. Mrs. Indra Baskar, was the guest of honour. Our student Ms. Sivaranjani bagged the overall championship and the best team at Sports award was snatched by silver team of SCCE.

The International Women's Day:

On 8th March 2017- The International Women's Day was marked in the usual fashion of making it a day of grand celebration of 'Miss. Carolina Day'. The winners of the competitions held in 15 different fine art Competitions during the week were announced. Ms. Gracy Jennifer - student of English Education was announced as 'Miss Carolina' of the year 2018. Mrs. Arul Varsha Rani of Physical Science Education, 'Carolina' of the year 2017 had the honour of crowning her in going with the customary practice of the college.

Educational Tour:

An educational tour to Rameshwaram was organized on 9th Mar. 2018. Visit to the memorial of Dr. APJ Abdul Kalam became an inspirational one for our young student teachers.

Placement:

Placement Cell of the College has been very responsive in accommodating the Schools that requested for holding Campus interviews this year. Recruiting panels from S.K.S. Matric School, Tirupatur, and Prajna Matric.School, Tirupurakundram Madurai have already completed the procedural interviews. 60% of our students have already been selected for jobs.

Scholarships:

Our College strives hard to facilitate our student teachers with the available benefits of various scholarships. 4 of our student teachers have benefitted by the ADW scholarship during the academic year 2016-17. For this academic year (2017-2018), 5, SC/ST Scholarships are processed.

Religion and Value Education:

An hour per week is allotted for religion and value education classes. This year it was pleasant to have Pastor, Daniel Vincent along with his better half for sharing their faith and rich experiences with our Christian students. Being present on Wednesday morning promptly despite their busy schedule was certainly admirable.

Daily Assembly:

Practice of Yoga at the start of the day, in the college, prayer prepared thematically by groups in turn for daily assembly, prayer before the commencement of afternoon session and closure of the day with prayer are strenuously practiced to develop God consciousness within oneself. A day of recollection at the end of the academic year is organized to give our students the value of reviewing one's life periodically.

IQAC (Internal Quality Assurance Cell):

The curricular and co-curricular activities of the College are constantly monitored by the vigilant members of the IQAC. The IQAC supervises the college activities, collects the feed back, analyses and reports. I.Q.A.C prepares the annual News Letters and yearly reports. It evaluates the cells, committees and associations. It takes charge of organizing the seminars, compiling the proceedings, publishing the annual college magazine and true to its nature works for the quality enhancement of the institution untiringly and prepares Self-Appraisal Reports annually.

Intercollegiate Programmes/ Competitions:

Our students are encouraged to participate in the inter-collegiate competitions. This year they sportively took part in several competitions organized by different institutions in and around Madurai and have brought home trophies and medals.

FUNCTIONS AND CELEBRATIONS

On August 15th 2017, 69th Independence Day was celebrated in union with all the educational institutions of St. Charles campus. Dr. Jothi Rajan, Associate Prof from Arulanathar College of Arts and Science was the chief guest. They took part in the march past and presented a patriotic song to honour our mother land.

On 5th of September 2017 a grand celebration of Teachers' Day was organized by the College union council. All the components of the programme were designed to appreciate the educators and to honour them.

Elder's day:

Elder's day was celebrated at Snehallam on 6th October. The Extension service cell organized a programme to cheer up the grannies. The function was presided over by the superior Sr Punitha, our chairperson Sr Dr Amali Anbarasi gave a special message.

Patron St. Charles' Feast:

On 4th of Nov 2017 the feast of our patron St Charles Borromeo was celebrated with a high Mass presided by Rev Fr Arumainadan Provincial Superior of Franciscan fathers. This great and meaningful celebration preceded with nine days of Novena reflecting and praying on the qualities and virtues of our Patron St. Charles Borromeo which enabled our student teachers to grow closer to our heavenly patron.

Gandhi Jayanthi:

Gandhi Jayanthi was celebrated on 2nd October 2017. Dr Manimegalai Principal of Crescent College Teacher Training institute Madurai was our Chief Guest. Our students reminisced Gandhi's life through skits and organized a prayer service for peace in the world.

Christmas Celebration:

23rd December 2017, heralding joy and peace of the Divine Child's birth was celebrated. Pastor Daniel Vincent gave the Christmas message. Our students prepared a gift packet for 20 students of our model Schools and cherished their smiling faces.

On 13th Feb 2018 the 12th anniversary of the inauguration of the College was celebrated offering a thanksgiving Eucharistic service participated by the students, staff and the management. Rev Fr Stanislaus of Claret Bhavan solemnized the mass.

Pongal Celebration:

On 18th Jan. 2018, Pongal was celebrated with grans of Snehallam. Mrs. Indira Baskar, Yoga Mistress and Mrs Punithavathy Rtd post Mistress were the Chief guests. Mrs Meena and Mrs Richa Jenifer were the judges for the various competitions held that day. Student teachers entertained the senior citizens with cultural programmes and enjoyed the sweet rice in their company.

On 26h January 2018, the 69th Republic Day was celebrated in the Matric Hr Sec School ground along with the model Schools. Rev. Fr Kuyili Abraham Parish Priest of Pallotti Church was the Chief Guest who hoisted the flag and delivered a speech which motivated the audience to be responsible citizens of the Country.

Out Reach Programmes:

On 10th Nov. 2017 our students' participation was fabulous in the 'Compassion Galore' programme organised by the Society. They collected a sum of Rs.35000/- to add to the charity fund.

* The slow learners of our model schools were helped to practice their writing and reading by our student teachers one hour in the morning before their college hours.

* The students union collected a fund to buy new dresses for 20 children as Christmas gifts.

* As in the past years a donation was made to the 'School for the blind' by our student teachers.

? Rallies and awareness programs were organized by the four teams for the residents of Thanakkankulam and Thiruvalluvar Nagar village.

College Development Initiatives:

* NCTE in its revised act has proposed digital model of continuous evaluation. In respect to that we have made alive our website, following the directions given under TeachR which will be accessed by QCI.

* With our view to enhance in students love & care for nature we have intended to compile the "Tree Walk" album which is already in progress.

* Our extension service to a hamlet on Mottamalai will be strategically planned by Rotaract club that is installed newly in our college under the patronage of Rotary club West Madurai.

* Last year we inducted TET coaching as a special program assisted by guest lecturers for a specific period of time.

In the coming year we have planned to add it as a regular program of the college inserting it in the regular weekly timetable.

* Four Year integrated B.Sc, B.Ed will commence in the coming academic year that will be a boon for +2 passed girl students of our village.

* On the request of Reliance Foundation, 30 women from the vicinity were trained for employment as sales girls and other capacities in respect to their qualification.

* To inculcate in our budding teachers one of the Gandhian values of patronizing Gandhian products we have started having once a month Khadthi product sales in our campus. To effect this practice we had a grand opening on 8th of March with Khadthi sarees Expo which was participated by the three school teachers, our student teachers & educators.

* Our college is one of the centres where B.Ed course is offered by the Distance Education Department of Bharathidasan University to primary school teachers and candidates with DTED certificates. Our educators manage the classes on weekends.

Alumni Association:

The interest and involvement of our alumnae in the college activities is notable. We record here with thanks Mrs. Jeeva and Loga Rubini for their involvement and interest shown in their 'Alma Mater' We aspire that this association grows stronger to bring to blossom the true objectives of Alumni association in any institution.

Visits of Eminent People:

On 26th October 2017, our Educational Commission members of the Eastern Province, visited our college and presented an official report to the Education Commission Chairperson. Their visit also included a feedback collection through face to face interaction with our teaching staff, non-teaching staff, students and office bearers of the students' union.

Three delegates from MHRD on 'Swatch Bharath Abiyan Mission' visited our campus on 21st Aug. They inspected all the class rooms, hostel and campus for cleanliness Ranking.

Conclusion

Dear guests, friends, teachers and my beloved students, annual day is another activity listed in the calendar to make it another experience of learning particularly to you dear student teachers. And it is an occasion to consolidate before an audience what goes on in an institution and that is what we have gone through now.

Thank each of you for being such an observant listener. I thank especially our guests for their patience. I thank the Almighty who in this faithfulness to His promise has led us through safely and successfully.

Challenges are what make life interesting and overcoming them is what makes life meaningful."

 - ISRAELMORE AYIVOR.

I am happy to bring out the post proceedings of the "International conference on, English Language and Literature" organized by St. Charles College of Education in collaboration with L Ordine Nuovo Publications, on 12th October 2018 in our college premises.

Glad to have hosted this International Conference which has now become an annual practice to conduct International level Seminars and Conference in varied themes and in the field of language analysis it is the second one of its kind. 117 Research scholars and Student teachers participated in the conference, presided by Dr. Balakrishnan, Publisher L Ordine Nuovo Publications and chaired by our Principal Rev. Sr. Dr. Amali Anbarasi. Dr. A. Muthu Manikam, Professor and Head, Department of Education, Madurai Kamaraj University delivered the special address in the conference, emphasizing the importance of the English language and the selfless service of the teachers to the community.

Dr. Mani Mangai Mani, Senior Lecturer, University of Putra Malaysia and Dr. John Sekar, Head & Associate Professor of American college were the Key Speakers, who emphasized on the beauty and utility of the language and the necessity of being effective teachers with noble values respectively. Our Vice Principal Rev. Sr. Sabina Jose welcomed the gathering and the Convener Rev. Sr. Mary Catherine proposed the vote of thanks for the inaugural function.

For the Valedictory function, the valedictory address was given by the Coordinator Dr. Mrs. Aruna Sankara Velayutham, Associate Professor in Perspective Education, St. Charles College of Education. The certificates were distributed by Dr. K. Vellaisamy, Assistant Professor Department of Education, Madurai Kamaraj University. Educationalists, Academicians and Subject experts who represented various universities also acted as Chairpersons. A book and a journal bearing ISBN code were published instantly compiling the papers presented during the seminar.

English language becomes an important component in the teaching learning process. The present conference throws light on the factor which strengthens the teaching learning practices through various subthemes provided to the students, scholars and teacher Educators to expand their knowledge in the same.

The conference has given a good opportunity for the participants, particularly the younger generation from neighbouring countries such as Sri Lanka and Malaysia to exchange their ideas and thoughts. On the whole, this one day International Conference was a memorable and enriching one in the history of St. Charles College of Education.

Dr. Mrs. Aruna Sankara Velayutham, Associate Professor in Perspective Education,

பொம்மலாட்டப் பணிமனை

புனித சார்லஸ் கல்வியியல் கல்லூரியில் பொம்மலாட்டப் பணிமனை 12.11.2018 மற்றும் 13.11.2018 தேதிகளில் நடைபெற்றன. இப்பணிமனையினை கல்லூரியின் கலை இலக்கிய மன்றமும், சமவாய்ப்பு கழகமும் இணைந்து நடத்தின.

பொம்மலாட்டப் பணிமனை நம் கல்லூரியில் நடத்தப்படுவதன் நோக்கம்:

கற்றல் கற்பித்தலை மேம்படுத்துதல்
கற்பித்தலில் படைப்பாற்றலை வளர்த்தல்
கற்பித்தலையும் கலையுணர்வையும் இணைத்தல்
மாணவ ஆசிரியரிடம் கற்பிப்பதன் மூலம் இக்கலையை சமுதாயத்திடம் கொண்டு சொல்லுதல்
விளிம்புநிலையில் உள்ள இக்கலையை வளர்ச்சியடைய செய்தல்
மரபுவழிக்கலையை அறிய செய்தல்
தமிழர்களின் அடையாளங்களை மீட்டுணரச் செய்தல்
விழிப்புணர்வு ஏற்படுத்துதல்

பணிமனையும் பயிற்சி மாணவிகளும் நம் கல்லூரியில் நடந்த பொம்மலாட்டப் பயிற்சி பணிமனையில் மாணவ ஆசிரியர்கள் பல்வேறு விதமான பொம்மைகள் செய்யக் கற்றுக் கொண்டனர். திருவாளர் பெஸ்டி அவர்கள் கற்பித்தலில் பொம்மலாட்டக் கலையை பயன்படுத்தி கற்பிக்கும் முறையை விளக்கி கூறினார். பொம்மலாட்ட வகைகளை செயல்விளக்க முறையில் விளக்கினார். அவர் கூறியபடியே வேறுபட்ட பொம்மலாட்ட வகைகளைக் கற்றுக் கொண்டு ஆர்வமுடன் செய்துக் காட்டினார். மாணவ ஆசிரியர் குழுக்களாக பிரிந்து இயற்கை பாதுகாப்பு, கொசு ஒழிப்பு, வாக்குரிமை போன்ற தலைப்புகளில் விழிப்புணர்வு நாடகங்கள் நடத்தினர். மாணவ ஆசிரியர்களுக்கு பயன்னுள்ளதாக இருந்தது.

பொம்மலாட்டப் பணிமனை: பொம்மலாட்டப் பணிமனையினை பிரபல பொம்மலாட்டக் கலைஞர் திருவாளர் பெஸ்டி அவர்கள், திரு ஆல்பர்ட் அவர்களுடன் இணைந்து நடத்தினார். பொம்மலாட்டக் கலையின் தோற்றம், வளர்ச்சி பற்றி எடுத்துக்கூறிய திருவாளர் பெஸ்டி அவர்கள் கற்றல் கற்பித்தலில் இக்கலையை எவ்வாறு பயன்படுத்தலாம் என விளக்கினார். நம் கல்லூரி முதலாம் ஆண்டு மாணவியர் பங்கு பெற்றனர்.

பொம்மலாட்டக் கலையின் தோற்றமும், வளர்ச்சியும்: பொம்மலாட்டம் தமிழர்களின் மிகப்பழமையான மரபுவழிக் கலைகளில் ஒன்று. இது மரப்பாவைக்கூத்து, பாவைக்கூத்து என்ற பெயர்களாலும் அழைக்கப்படுகிறது. இக்கலையை நிகழ்த்துவோர் தற்போது 2-3 குடும்பங்கள் மட்டுமே தோல்பாவைக்கூத்தை நிகழ்த்துவோர் மதுரை, கன்னியாகுமரி, கோவில்பட்டி, தேனி மாவட்டங்களிலும் சென்னை அருகிலும் மிகக்குறைவான அளவிலே வசிக்கிறார்கள். தமிழ்நாட்டில் பொம்மலாட்டம் என்றழைக்கப்படும் இக்கலை, ஆந்திராவில் 'கொய்யா பொம்மலாட்டா' எனவும், கர்நாடகத்தில் 'குத்ரதா கொம்பயேட்டா' எனவும் அழைக்கப்படுகின்றது. இதனை ஆங்கிலத்தில் மரியோனெட் (அயசழைநெவவந) என்பர்.

உலக பொம்மலாட்ட தினம் மார்ச் - 21 தேதியில் கொண்டாடப்படுகிறது.

வகைகள்
நூற்பாவை, நிழற்பாவை, ஒளிப்பாவை, கைப்பாவை போன்ற பொம்மலாட்ட வகைகளை செயல்முறையில் விளக்கி கூறினார்.

Develop SCIENTIFIC TEMPER

"Science is a beautiful gift to humanity.. We should not distort it" -Dr. A.P.J. Abdul Kalam

"Learning by Doing" and "Learning by Living" are the two cardinal principles of teaching and the same is true in the case of teaching science. It is natural urge in children to make things, to break things and to handle things. So, our college organizes every year the activity related science club to develop scientific temper in our students .It is one of the Non-formal science educational programme.

The science club organization raises the need for such platform which can act as a vent for the ideas of students and channelize their thoughts towards desirable goal.

This will help in satisfying their instincts and urges of children and shaping them into a full-fledged personality. This organization caters and inculcates the scientific attitude, a genuine interest in science and scientific activities in the minds of the student teacher. Through the science club the learning of science becomes joyful and the students learn without any constraint on their part and pursue science as a pleasant hobby and not a burden on them. In this way, the students get a better comprehension to cognize and thereby develop a zealous enthusiasm in them to strive tirelessly for their thirst in science .

Objectives of Science Association

- To arouse interest towards science and encourage the curiosity of the students
- To make them thoughtful and scientific tempered.
- To develop interest in scientific hobbies in daily life applications
- To explore local resource and to learn to maintain and protect the environment
- To create an awareness on recent developments in science

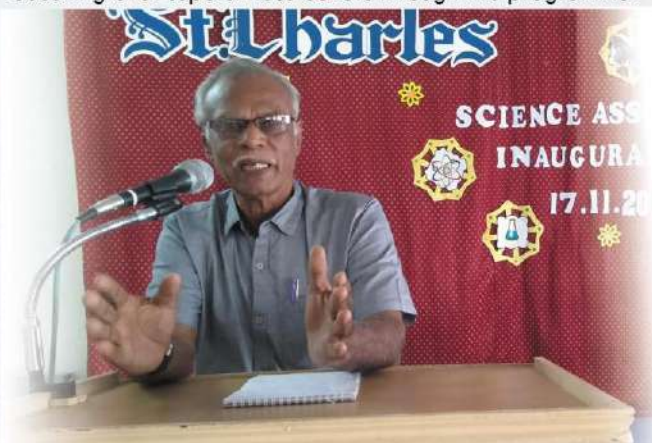

Science Association planned to carry out the following activities in the year 2018 – 19.

- a) Student teachers perform a skit on the topic, "Recent development in Science and Technology at various fields like Medicine, Agriculture, space and nano technology" on inaugural day.
- b) Superstitions vs. Reasoning in science in day to day life on the same day.

c) Organize a Quiz competition during the month of February.

d) Conduct Competition on collection of Science Facts from Mass Media during the month of March.

Scientific temper developed through science association that staged an event on 17th November 2018. The programme was organized by its Secretary Mrs. A. Packiam, Asst. Professor and the other members of the committee. The association members came out with various programmes. Mr. Thirugnana-sambantham was invited as our Chief guest. He gave a lecture on "Superstitious beliefs and its adversity with Scientific truth". He also raised many questions on fact finding and why they are happening. Our student teachers actively participated and gained an immense knowledge on the fact finding and scientific reasoning over superstitious beliefs through this programme.

Science and Mathematics Department student teachers performed a skit on the topic, recent development in Science and Technology in the fields of Medicine, Agriculture, space and nano technology. In medicinal arena they discussed the recent development in the treatment of cancer using Chemotherapy. They also created an awareness about the liver cancer and its symptoms. The development in the field of nano particle technology and the development in the field of agriculture were also put forth.

The programme was very effective and created enthusiasm among the student teachers. Our student teachers learnt new things and they acquired scientific attitude from the Science Association programmes.

View on the EXTRACURRICULAR EVENTS OF SCCE

Extracurricular activities are those that fall outside the realm of the normal curriculum of school or college education performed by students. In our college the extracurricular committee carves out the activities on various occasion

Inauguration:

Inauguration of first year 2018-2019 batch was held on 06th August, 2018. Ms. Sujatha, a freelance English language trainer was invited to groom our students in English language.

Installation of the Student Council:

On 24.08.2018 the installation of the student council was held. Mr. Padmanaban, Madurai was invited as a keynote speaker. He gave a lecture on leadership.

Independence Day:

Each year our institutions celebrate the Independence Day as a tribute to the spirit of freedom and to the courage and sacrifices that countless men and women made. Patriotic messages in form of dance, skit and song were performed by our student teachers.

Teachers Day:

Teachers are called as the backbone of our society, because they highly contribute in building up our character, shaping our future and helping us to be ideal citizens of the country. Teacher's day is observed every year to pay respect to the teachers from their obedient students. In our college Teachers' day was celebrated by the student teachers on 05.09.18. A short programme was organized along with games followed by the distribution of gifts by the college union members.

Gandhi Jeyanthi:

"You must be the change; you wish to see in the world."-Mahatma Gandhi.

On 02.10.2018 Gandhi Jeyanthi Function started with prayer service. Dr. Andiappan, H.O.D. Department of Gandhian Thought, Madurai Kamaraj University was the Chair Person of the Day. The Chief Guest Dr. Andiappan explained the policies of Mahatma Gandhi. Competitions were held among the four student teams. Students recited Bhajans and performed skits depicting the significant events in the life of Gandhiji. The best team was awarded with shield.

St. Charles Feast:

St. Charles Borromeo is the patron of our college. St. Charles feast was celebrated from 29.10.2018 to 02.11.2018. During these days, our student teachers enacted the life history of St. Charles Borromeo and his services to the mankind through song, speech and drama. Through these activities our student teachers got to know more about our Patron St. Charles Borromeo.

C.T.CAMP:

The citizenship training camp promotes good camping practices and activities. C.T.Camp is the very important educational programme of the B.Ed curriculum. Those who are going to become teachers should be aware of problems of our society especially of the women and children. It's a duty of an educator not to just coexist but to communicate with rural peoples and should gain real time experiences from their day-to-day suffering. For this purpose our college arranges citizenship training camp.

It was held from 10th Dec 2018 to 14th Dec 2018. During the Camp various personalities specialised in specific field related to human rights, consumer rights, Organic Foods, Eye Donation, Blood Donation etc were invited to give a session and create awareness among students. The enlightened students with the knowledge acquired reached out to the fellow citizen who are less fortunate and illiterate educating them in the form of awareness rally and street plays.

Pongal:

Pongal is a harvest festival as well as a thanks giving day. The idea behind celebrating this day is to express gratitude towards Sun. This festival is celebrated every year by our college management, staff student teachers with the senior citizens in 'Sneha Illam'. Competitions like Rangoli and fancy dress are conducted.

Christmas Celebration:

Christmas day is celebrated with joy and pomp. The Nativity of Christ was enacted with dance, carols and skit by our student teachers. Underprivileged children from the neighbourhood were invited and made to participate in the celebration and finally gifts were distributed to them.

Technocentric CLASS ROOM

"Access to computers and the internet has become a basic need for education in our society".

- Kent Conrad

Teachers have been using technology in the class room for several decades. They have used tools to help present their lessons through Video clips, PowerPoint Presentations, overhead projectors, smart boards, etc...As technology develops, teachers learn to integrate the new tools into their lessons. Taking this into account, Thiagarajar College of Preceptors (TCP, Theppakkulam, Madurai) organized a State level workshop titled "Techno-Centric Classrooms" on 15th December 2018.

Dr. P. Jeyalakshmi, Assistant professor and our student teachers actively participated in this workshop. Dr. Than-gavel, Assistant Professor, TCP, was the resource person for the morning session. He brought forth and spoke on the pros and cons of the new apps and technologies which help in the teaching-learning process. The new apps and technologies that were highlighted and explained by him for sure would be very helpful in teaching-learning process. They are lined up below.

Dr. Rajavel, Assistant Professor conducted (Kahoot) online general knowledge quiz for the participants in a very interesting manner and also insisted that the free online quizzes have to be conducted in the classrooms in order to

Kahoot – It is a game based platform that makes learning awesome. It is used as technological tool to learn things through games or quizzes in minutes with fun.

Plant Snap - This is an app that identifies plants, flowers, cacti, succulents and mushrooms in seconds with the click of a button from our mobile device

Text fairy – It is an app that converts an image to text. It corrects the viewpoint of an image and edits extracted text and copies. It transfers the extracted text into the clipboard for use in other apps. It also converts the scanned page into PDF. It is capable of recognizing printed text from more than 50 languages.

Any desk – This app helps to connect a mobile/ laptop/ pc remotely, be it from the other end of the office or halfway around the world. AnyDesk ensures secure and reliable remote desktop connections. It is a software programme which is developed to run in multiple computer platforms.

Photo math - An app for math learning; it can read and solve problems ranging from arithmetic to calculus instantly by using the camera in the mobile device. With this app, one can learn how to approach math problems through animated steps and detailed instructions or to check homework for any printed or handwritten problem.

facilitate the friendly environment among the students and thus create an effective learning process.

Dr. Viswanathan, Assistant Professor was the resource person who described the online courses like Swayam, the online self-learning portal Swayam for young aspiring minds to learn whilst leisure. It is funded by the Ministry of Human Resource Development, Government of INDIA. Professors and Faculties of centrally funded institution like IITS, IIMS, Central universities offer online courses, so that any person willing to study can take the course.

Participants were taught how to learn and work with the new app. acquire knowledge in Science through day to day life applications, Massive Open Online Course (MOOC) and Computer Aided Instruction (CAI) were taught. Creating a QR code, Animation, using search engine were demonstrated.

"Technology shapes Society and Society shapes Technology"
-Robert Winthrob White

As technology advances, teachers learn to integrate the new tools into their lessons. Through this workshop our student teachers have enhanced their teaching skills. With the awareness on techno-centric classroom students can gain the essential skills to be successful in the future.

Simple mind - It helps to organize our thoughts, remember things and making it a great starting point for organizing ideas for a seminar paper.

Voice Translator – A compact and easy to use voice translation tool. It translates voice, and reads aloud the translate results. Allowing us to travel, to communicate and making social networking no longer a language barrier. Voice Translator can also be used to learn and understand a language and carried as one's own custom dictionary. Voice will be translated and saved locally and it can be used whilst offline too.

Citizenship TRAINING CAMP

முகாம் என்பது, பழங்காலங்களில் நம் முன்னோர்கள் வசித்து வந்த வாழ்வியல் முறை. அதாவது இயற்கையோடு வாழ்ந்த வாழ்வின் முறையாகும். நவீன முகாம் என்பது இயற்கையோடு ஒழுங்கமைப்பட்டது ஆகும். இது மாணவ ஆசிரியரை சமூகத்துடன் இணைந்து பணியாற்ற உதவுகிறது. (கோம்) கேம்ப் என்ற வார்த்தை கேம்பர் என்ற பிரெஞ்சு மொழியிலிருந்து பெறப்பட்டது ஆகும். ஒரு காரணத்திற்காக, அதே கட்டமைப்பின் கீழ் ஒன்றாக சேர்ந்து வரும்போது தொடர்ந்து மக்கள் நலன்களைக் கட்டுப்படுத்த உதவுகின்ற ஒரு விஷயம், ஒரு காரணத்திற்காக, முகாமிட்ட காலப் பகுதியில் ஒரு குழுவை உருவாக்குகிறது. முகாம் பல்வேறு நோக்கங்களுக்கான சேவை செய்கிறது. நல்ல முகாம்கள் சமூகத்திற்கு நன்மை செய்யும் இந்த முன்மொழிவுகளின் விரிவாக்கம் அவற்றின் அர்த்தத்தை தெளிவுபடுத்துகிறது. அவற்றை ஆராய்ச்சி, தாக்கம் மற்றும் அனுபவத்துடன் ஆதரிக்கிறது.

தோற்றம் உலகப்போருக்கு முன்னதாக ஐக்கிய மாகாணங்களில் நடத்தப்பட்ட, தேசிய பாதுகாப்பு குடியரிமை மற்றும் தன்னார்வ அமைப்பு சார்ந்த பயிற்சியானது தற்போதைய தலைமுறைக்கான முகாமில் மீண்டும் கொண்டுவரப்படுகிறது. 1913ம் ஆண்டில் முக்கிய பொது வியனார்ட் தொழிற்கல்விக்கான முகாம் நடத்தப்பட்டது. அதனைத் தொடர்ந்து கல்வி நிறுவனங்களிலிருந்து, கலி. போர்னியாவின் மாண்ட்ரி மற்றும் ஜெல்லிஸ்பூரி ஆகிய இடங்களில் மாணவர்களுக்கு நடத்தப்பட்டன. இதன் சிறப்பினை உணர்ந்தோர் அடுத்த அடுத்த முகாம்களை தங்களது சொந்த செலவுகளில் மேற்கொண்டனர்.

முகாம்களின் நோக்கம் ஒவ்வொரு தனிநபரின் வாழ்க்கையை எதிர்கொள்ளும் அளவிற்கு அவர்களை மேம்படுத்துதல். தனக்கான வாழ்க்கை சவால்களை ஏற்றல். மற்றவரையும் மனநிம்மதியான வாழ்க்கைக்கு வழிநடத்திச் செல்லுதல். தனிநபர் (பாத்திரம்) மேம்பாடு சமூக மக்கள் சமூக சமுதாய மாற்றத்தை அனுபவிக்கும்படி ஊக்குவிக்க வேண்டும். ஆன்மீக மதிப்பை வளர்த்து கொள்ள

தனிப்பட்ட உடற்குதி உடல் மற்றும் மன சவால்களை ஏற்றுக்கொள்ள தனி நபரை ஊக்குவித்தல். தங்கள் எதிர்பார்ப்புகளை கைவிடல். அவர்களின் அறிவு திறன்கள் மற்றும் திறன்களை விரிவாக்க. தொடர்ச்சியான தனிப்பட்ட முன்னேற்றம்.

முகாம் நடத்தப்பட்ட பகுதி நற்குடிமகனார் முகாம் ஆனது கடந்த வருடம் டிசம்பர் மாதம் 10ம் தேதி முதல் 14ம் தேதி வரையில் நமது திருவள்ளூர் நகர், கிராமப்பகுதியில் நடத்தப்பட்டது. இந்த முகாமின் முக்கிய நோக்கமானது அந்த கிராமப்புற மக்களது கடமைகள் மற்றும் உரிமைகளை எடுத்துரைப்பதாக அமைந்தது. வெவ்வேறு துறை வல்லுனர்களைக் கொண்டு பல்வேறு வகையான தலைப்புகளுக்கு விளக்கம் அளிக்கும் முறையில், மாணவ ஆசிரியர்களுக்கு சிறப்புரையாற்றப்பட்டது அவர்களது நல்வாழ்வுக்கு வழிகோலும் வகையில்.

இந்தச் சிறப்பு முகாமின் இறுதியில் எமது மாணவ ஆசிரியர்கள், அந்த கிராமப்புற பகுதிக்கு நேரடியாகச் சென்று அவர்களின் தொழில் மற்றும் அங்கு வசிக்கும் மொத்த நபர்களின் எண்ணிக்கை ஆகியவற்றைப் பற்றிய விரிவான விளக்கம் பெற்றனர். கிராமப்புற பகுதி பற்றிய விளக்கம் திருவள்ளூர் நகர் என்கிற கிராமப்புற பகுதியானது, திருப்பரங்குன்றம் தாலுக்கா, மதுரை தெற்கு பகுதியில் அமைந்துள்ளது. திருவள்ளூர்நகர் பகுதியின் மொத்த மக்கள் தொகை எண்ணிக்கை 9748 இவற்றுள் ஆண்கள் 4957 மற்றும் பெண்கள் 4791 இவர்களின் வட்டார மொழியானது தமிழ் ஆகும்.

இந்த பகுதியின் மொத்தப் பரப்பளவு 499.5 சதுர அலகுகள் ஆகும். இப்பகுதியைச் சார்ந்தோருள் பெரும்பாலானோர் படிப்பறிவற்றவராகவும், பொருளாதாரத்தில் பின்தாங்கியவராக உள்ளனர். தினக்கூலியாகவே அதிக எண்ணிக்கையிலானோரும், வெகுசிலரே சுயதொழில் மற்றும் சொந்த நிலங்களும் கொண்டுள்ளனர். எங்களின் முக்கிய நோக்கமே படிப்பறிவற்ற மற்றும் பின்தங்கிய நிலையில் உள்ள பெண்களை நோக்கியதாகவே இருந்தது.

மேலும் அந்த கிராமப்புற பகுதியைச் சுற்றி நடைப்பயணம் மேற்கொண்டனர். அப்பொழுது கோஷங்கள் கருத்துகள் அடங்கிய பலகைகள் மற்றும் துண்டுப்பிரச்சாரங்கள் இவற்றோடு வீதி நாடகம், குழுப்பாடல்கள் போன்றவை எமது மாணவ ஆசிரியர்களால் பின்வரும் தலைப்புகளில் நடந்தன.

1. நுகர்வோர்க்கான உரிமைகள்.
2. மனித உரிமைகள், கல்வி பெறும் உரிமைகள்
3. ஆரோக்கியம் (ம) சுகாதாரம் சுத்தம் (ம) நோய்கள் பரவும் விதம்
4. கண்தான முகாம்.
5. முதலுதவி (ம) போக்குவரத்து விதிகள் மற்றும் பாதுகாப்பு
6. இரத்ததான முகாம் (ம) இலவச மருத்துவ முகாம்.

LIFE SKILLS – SURVIVAL SKILLS TODAY

LifeSkills™

Teaching Youth How to Succeed in Life

“Every day of your life is another lesson. If you learn the lesson well and apply it; whether positive or negative, you determine what happens in your tomorrow.” says David Kofi Awusi. Life skills are the skills we need to deal effectively with the challenges in everyday life, whether at school, at work or in our personal lives. In a constantly changing environment, having life skills is an essential part of being able to meet the challenges of everyday life. The dramatic changes in global economies over the past five years have been matched with the transformation in technology and have impact on education, the workplace and our home life.

To cope with the increasing pace and change of modern life, students need new life skills such as the ability to deal with stress and frustration.

Life skills help students to find new ways of thinking and problem solving. It enables them to recognize the impact of their actions and teaches them to take responsibility for what they do rather than blame others. It fosters confidence both in spoken skills and for group collaboration and cooperation. It develops analyzing capacity to choose better options, make decisions and understand why they make certain choices outside the classroom. It enforces a greater sense of self-awareness and appreciation for others

Values inculcated through life skills:

SCCE makes it mandatory for every student teacher to equip with the life skills so as to inculcate the ability to adjust and adapt at all unforeseen circumstances of life. The classes on self-esteem, personality development, guidance and counseling, transactional analysis and time management brought home to them the associated values and have given the deep awareness of themselves.

- ❖ Value yourself, your ability and your contribution in the world because you are unique.
- ❖ No one else is like you in the whole world.
- ❖ Our time in this world is limited. Make it happen for you so that you leave your mark in this world

SELF - ESTEEM

PERSONALITY DEVELOPMNET

- ❖ Personality development grooms an individual and helps him make a mark of his/her own.
- ❖ It goes a long way in reducing stress and conflicts.
- ❖ It helps you develop a positive attitude in life.

- ❖ Managing your time will give you more free time.
- ❖ Reward yourself for accomplishing your goals.
- ❖ Motivating yourself to follow your scheduled plan.

Guidance and Counseling

- ❖ Improved inter personal communication.
- ❖ Source of positive energy.
- ❖ Understanding ego state.
- ❖ Motivation.
- ❖ Organizational Development.

- ❖ Clarifying a problem
- ❖ Coping with depression
- ❖ Developing increased confidence
- ❖ Exploring opportunities for change
- ❖ Improving personal skills
- ❖ Learning to make better decisions
- ❖ Managing anxiety

Extension Service ACTIVITIES-2018

Summer camp was organized in our college for the students of the locality and the children of Srinivasa colony from 23rd April to 27th 2018. About 60 students participated and benefited a lot by yoga, prayer, drawing classes, rhymes recitation, play way mathematics, dance and drama and learnt to spend the holidays in a useful manner. Our staff and student trainees were the chief resource persons. Mr. Ramesh Babu, President Rotary Club, Down Town, Madurai distributed prizes for the winners in summer camp.

Varieties of extension activities- are being implemented in St Charles College of Education, to provide ample opportunity for our Student teachers to equip themselves with all the soft skills necessary to serve the society in the best possible way. Our fresh trainees were given one month exposure programme in the model schools, during which they talked to the slow learners of class III and IV, listened to them and guided them. This study of the problems of the students helped them to know about the school environment as well.

Voluntary Student teachers were involved in supervising the evening study of the poor students in the adopted village (Srinivasa colony) during the year 2018. In collaboration with members of the Rotary club, Down Town Madurai, student teachers and students of St Charles GHSS celebrated Christmas and Pongal with the people of the village.

Our respect for the elders is the reflection of our reverence for God.' In accordance with the above quote, the student teachers are guided to visit the old age home (Sneha Illam) in the campus to talk to the grannies and listen to them and to understand their problems. They learn to respect and take care of them, students entertain them and cheer them up during Elders' day and Pongal day celebration and distribute gifts for them.

As one of activities of the Guidance and Counseling cell mentoring and counseling classes are arranged for the students who are facing problems personal and common and they are also counseled by the staff in charge.

Our Visit to **GANDHI MUSEUM**

On the visual biography section of Gandhi, photos of Gandhi, paintings, sculptures, manuscripts and more than 124 rare photographs of Gandhi from his childhood days were exhibited. That was very interesting to see. At one dark room there is a blood-stained cloth used by Gandhi on the day of his assassination, but that is only a replica. Later, the student-teachers gathered in a discussion room in there and the association member of Gandhi Museum taught us how to prepare homemade products like phenol, candles, soaps etc.

This is a certificate course to earn money. They also showed the models done by their students. It was a pleasure to see those models. Then at the end of the class Dr. Aruna Sankara Velayutham Assistant professor of history department presented the vote of thanks. And with that the session ended.

"BASIC EDUCATION LINKS THE CHILDREN, WHETHER OF THE CITIES OR THE VILLAGES, TO ALL THAT IS BEST AND LASTING IN INDIA" - MAHATMA GANDHI. According to Gandhi, vocational courses are very important in every individual's life. This we had already learnt under the topic, GANDHIJI'S BASIC EDUCATION. This basic Education insists that the students get idea of living economically wealthy in the society. This brings peace and harmony in our future life. Thus St. Charles College of Education boosted the teachers' spirit through this awesome visit. This was one of the perfect days and the Student teachers enjoyed a lot and spent their time in a very useful way.

Visit to **INNOVATIVE SCHOOL**

The student counsellor Miss. Shajitha took the opportunity to explain to the student-teachers about the infrastructure and the special features of the school. HR Miss. Sujatha gave a small introduction about the school and a brief note on teaching methodology given by level-2 Vice Principal Mrs. Shanthini.

Then the student teachers were grouped according to their major and sent to visit and observe the classroom teachings. Teachers were more efficient in teaching and the student teachers got benefited through their methods of teaching. The campus was very clean. They gave practice to the students on how to prevent fire as per their schedule by ringing the fire alarm; it was so sensible. It was a great experience for the student-teachers, visiting the school.

"The future depends on what we do in the present"-
MAHATMA GANDHI.

On September 20, 2018, the student-teachers of St. Charles College of Education visited the Gandhi Museum. It was arranged by the vice Principal Rev. Sr. Sabina Jose. The Physical Educator Mr. Nedumarman, student-counselor Rev. Sr. Mary Catherine and the staff joined this field trip to guide the student-teachers.

"HAPPINESS is when what you think, what you say, and what you do are in HARMONY" said Gandhi and by his words the happiest field trip started at 9:00 in the morning. The management officer of Gandhi Museum explained the history of the museum. This museum was inaugurated by the former Prime Minister JAWAHARLAL NEHRU on 15 April, 1959. Gandhi Memorial Museum in Madurai comes under the Peace Museums Worldwide selected by United Nations Organisation (UNO).

The palace of Rani Mangammal was renovated and converted into this museum. The Student-teachers noted all the information for their further reference.

Then we visited the collections in the museum. There we had the opportunity to see the original letter written personally by Gandhi to Narayanan of Devakottai. Another interesting letter is to his friend Adolf Hitler addressing him as "Dear Friend". And we also saw the display "INDIA FIGHTS FOR FREEDOM" with 265 illustrations that depicts the history of the freedom movement.

On 13th February, 2019, the student teachers of St. Charles college of Education visited Queen Mira International School, Madurai to learn more about different kinds of teaching methods.

TEACHER'S DAY

"A good teacher can inspire hope, ignite the imagination and instill a love of learning."
- Brad Henry

The role of teachers in everyone's life is great as they are the only visual source of knowledge for their students. As we all know that our teachers play a great and most important role in our lives. They help us to improve our knowledge, skills, confidence as well as they shape us in the right way to attain success. So, we too have some responsibilities towards our noble teachers.

Teachers' Day is of utmost importance. It is a day to show respect and to value the efforts of the teachers who work tirelessly all the year round. Teachers' job is one of the toughest jobs in the world as they are given the responsibility to nurture young minds. They are given a class full of students. Each student is unique and has a different calibre. Some students may be good in Sports others could be Maths geniuses while others may show keen interest in English. A good teacher helps the students explore their interest and identify their capabilities. She/he encourages the students to hone their skills in the subjects or activities they are interested in and at the same time ensures they do not neglect other subjects or academics as a whole.

It is said that nothing is there to compare with the teaching profession. It is the noblest of all professions in the world. The 5th of September has been dedicated to the teaching profession by celebrating this day as teachers' day throughout India. It is celebrated every year to commemorate the birth anniversary of former Indian President, Dr. Sarvapalli Radhakrishnan, as well as to honour the teachers. The birth anniversary day of our former president has been dedicated to highlight the nobility of the teaching profession as well as contributions of our teachers for the society's and country's development.

Dr. Sarvapalli Radhakrishnan was a great teacher who had spent around 40 years of his life in the teaching profession. He was well aware of the roles and contributions of the teachers in students' life. So, he was the first person who thought about teachers and requested his birthday, the 5th of September, to be celebrated as the Teachers day every year. He was born on 5th of September in 1888 and started his career as a philosophy teacher by entering into the teaching profession at the age of 21 at Presidency College, Chennai in 1909.

He taught philosophy at various reputed universities in India like University of Chennai, Kolkata, Mysore and Benares and abroad, Oxford in London, etc. Because of his dedication towards the teaching profession, he was appointed as the Chairman of University Grants Commission in 1949. 5th of September is celebrated as the teachers' day from 1962 in order to fulfill his wish he made on birthday which was hosted by his students. After serving the nation for a long period of time Sarvapalli Radhakrishnan passed away in 1975 on 17th April.

Teachers are like real potters who not only give our life a shape, but also light us like a lamp, forever, after dispelling the darkness so that, our nation can be illuminated with lots of bright lamps. The nation pays homage and respect to all the teachers in the country. We can give nothing to our teachers in return to their great job. However; we should respect them always and say thanks. We should take a pledge to heartily respect and honour our teachers in our daily lives as without a good teacher we all are incomplete in this world.

We, the students of St. Charles College of Education, celebrated Teachers Day in the college on September 5, 2018 and the celebration began at 10.30 am in the morning in the college AV Hall. The program was started off with a prayer song sung by the students. A student then gave the welcome address and a peep into the life of Dr. Radhakrishnan. Games were conducted for the teachers, the students had organized a number of fun games for the teachers which were thoroughly enjoyed and appreciated. The programme ended with cake cutting ceremony after which snacks were distributed to everyone. The vice principal and faculty members were overwhelmed by the efforts and love shown by the students. After the celebration, the students and teachers left for their respective classrooms.

Teacher's Day is celebrated in India to pay respect to the teachers who work hard all year round to ensure their students do well in academics as well as extra-curricular activities. A number of activities are planned on this day in various schools across the country. These activities are a good way to strengthen the bond between teachers and students. In all, it was a special day for teachers as well as students.

SPORTS DAY

In St. CHARLES COLLEGE OF EDUCATION Sports day was conducted on 11th Jan, 2019. We invited Dr. David Amirtharaj, Former Dean, MKU as our chief guest for the event. Miss. Sharon department of English was the Master of Ceremony who delivered her speech in English and Miss. Princy from the Department of English compered in Tamil. We started with a prayer and a reading from the Bible. Our chief guest was welcomed by Miss. Madhu department of English. We performed march past and the chief guest hoisted the national flag.

"Let us march past the flag of the past, saluting our achievements', pondering over our mistakes and thinking of the lessons for the way forward as we march forward to a great tomorrow"

- Ernest Agyemang Yeboah

Mass drills followed which help in keeping the body fit, flexible and healthy. Rigorous practice for more than 10 days in drill was taken by our Physical Director Mr. Nedumaran and was finely organized by him.

"There is no time to fool around when you practice. Every drill must have a purpose. I try to never get away from that habits are important."

- Albert Pujol

Several skills were displayed by our student teachers in groups on given topic. Silver team's topic was modern technology and its adversity, second was the gold team their topic was conservation of water, third displayed by diamond team was on patriotism and finally the platinum team performed on the topic of child abuse. The students gave their performance in true sportive spirit and vigour.

Teaching faculty and the Non teaching staff were invited to participate in a game. The Chief Guest was welcomed to give the presidential address. Our chief guest spoke about patriotism and motivated the students to concentrate on the studies as well as give importance to sports and games equally and be honest to everyone to be successful in life.

"If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards."

- Bear Bryant

Prizes were distributed by our chief guest who won. Over all champion was won by the platinum team. Vote of thanks was rendered by Miss. Shoba department of physical science.

YOGA

The origins of yoga have been speculated to pre-Vedic Indian traditions. St..Charles College of Education conducts yoga sessions every year to enlighten the student teachers about the significance of Yoga as an essential practice to enhance peace, harmony and happiness of mind and heart. This year the session was conducted by Mrs. Indra Baskaran and her team after a small prayer followed by the welcome address.

Mrs. Indra Baskaran gave some basic instructions and shared the benefits of doing yoga regularly and also encouraged us with her words. Different yoga postures like Tadasana, Utkatasana, Navasana, Vrikshasana, Bhadrasana, Shashankaasana, Bhujangasana, Pawana Muktasana, Mayurasana, Sirsa padmasana, etc., was taught by demonstration. The student teachers involved themselves performing the challenging yoga postures following the teacher cheerfully. Then the teacher gave some tips to avoid headache, stomach pain and also to increase eye power and to increase concentration in studies.

It was a day filled with positive energy for the mind and soul. After two hours of the session, the student teachers were instructed to continue the yoga postures and meditation every day. And with words of gratitude the session was wound up.

"You cannot always control what goes on outside but you can always control what goes on inside."

Elders DAY

"The best classroom in the world is at the feet of an elderly person."

Elders' day was celebrated in our college on September 29, 2018. The celebration began at 11.00am in the morning. All elderly persons in the Sneha Illam gathered in a hall with great enthusiasm. The Extension Service Committee members of the first year received the Chief Guest, Rev. Sr. Fatima Rani, the Secretary, with all warmth. The program started with lighting of the Kuthuvizaku by the Chief Guest, Vice Principal, Rev. Sr. Sabina Jose, Student Counsellor, Rev. Sr. Mary Catherine and first year extracurricular committee member, T. Anjana Priya. The program continued with a prayer service conducted by the first year Silver Team members.

J. Chitra Devi, First Year Student-Teacher welcomed the gathering. This was followed by the cultural programme. The first of the events was by the first year Gold Team members. The members performed a dance drama to entertain the elders. After the play, the elderly persons came to the dais and joined the student teachers in a dance.

Following the cultural events, our Chief Guest spoke on the needs and the importance of elders.

And after the Chief Guest's address, our Vice Principal and Student Counsellor spoke to the student-teachers about the elders and also requested us to visit 'Sneha Illam' more frequently.

Snacks and gifts were distributed to the elders by the student-teachers. The Vote of Thanks was delivered by the first year student-teacher, P. Chitra Devi. Thus, the meaningful program was organized to everyone's satisfaction.

"Listen to your elder's advice, not because they are always right but because they have more experiences of being wrong."

- Anjana Priya. L
Maths Dept.

The College Anniversary Day was held on the 14th of February, 2019, attended by the staff and student-teachers in the conference hall. Our Vice-Principal, Rev. Sr. Sabina Jose, presided over the celebration.

"Prayer is the key to heaven but faith unlocks the door." The celebration was started with a short prayer by the second year student-teachers, followed by the welcome address by Sr. Gracy, student-teacher of Tamil. The prayer song, scripture reading and prayer were led by the first and second year student-teachers.

We prayed for the upcoming Commission for the second years on 18/02/19 and the University Theory Examination of first and second years in May 2019.

13th College ANNIVERSARY

"Every thought we produce, anything we say, any action we do, it bears HIS signature". The well-wisher of our college Fr. John Kennedy took over the ceremony with full enthusiasm and made a bridge between the students and the Lord. Fr. John Kennedy conducted the Holy Mass. At last, the second year student-teachers received a special blessing from father and the function came to an end at 12:45pm.

The function made all the students energetic and filled them with positive thinking, we all felt blessed and special before the Lord. We felt the presence of the Lord among us and got strength for our future activities. The atmosphere was so nice and heavenly.

All of us had the satisfaction of thanking the good Lord for the big blessing of our College that was inaugurated on 14th Feb 2007 that serves as a channel of grace for young women who enter its portals and through them to thousands of children..

Independence DAY

The Independence Day of India, 15th August, 1947, is celebrated, annually by commemorating the nation's struggle and immolation of our mighty freedom fighters.

Independence Day was celebrated in our college on August 15, 2018, and the celebration began at 8.30 am in St.Charles School premises.

Rev. Fr. Paul Sahayaraj, Department of English, Arulnandar College, was the chief guest for the program. He also hoisted the tricolor flag. March Past by the students was an exciting sight. The Chief Guest spoke on patriotism and the national integrity. Cultural programs were presented by all the four institutions. A girl student of St. Charles Girl's Higher Secondary School gave a speech on Independence Day. The program was concluded with vote of thanks.

This is one of the special programs when all the four educational institutions in the campus gather and celebrate together and express the solidarity and harmony. Every student of the School and the teacher student of B.Ed., College is made to feel great by the exposure we get at this unique gathering which inculcates in us the value of integrity and brotherhood amongst ourselves.

எனது கல்லூரி பயணம்

வண்ணங்கள் பூத்த காலம்,
எண்ணங்கள் மலர்ந்த காலம்,
இன்பங்கள் பல மடங்காகிய காலம்,
துன்பங்களை துடைத்தெறிந்த காலம்,
இன்னல்கள் இமயமென இருந்தாலும்
இறகாய் பறந்த காலம்,
இக்கல்லூரிக்காலம்

புனித சார்லஸ் கல்வியியல் கல்லூரியில்
சேர்ந்து இரண்டு வருடங்கள் படித்ததை
பெருமையாக நினைக்கின்றேன்.

இந்த இரண்டு வருடங்கள் பல்வேறு
முறைகளில் எனது திறமைகளை வளர்த்துக்
கொள்ளவும் தவறுகளை திருத்திக் கொள்ளவும்
வாய்ப்புகள் கிடைத்தன.

என்னால் முடியாது என்று நினைத்த
செயல்களையும் செய்ய முடியும் என்று
நம்பிக்கையூட்டி வெற்றிப் பாதையில் நடக்க
செய்தவர்கள் எம் ஆசிரியர்கள்.
கல்வி என்பது சான்றிதழ்க்கு மட்டுமே
என்று நினைத்தேன். ஆனால், அனைத்து
கலைகளையும் கற்றுத் திறன்படைத்த மனிதரை
உருவாக்குவதே கல்வி என்று கற்றுக் கொண்டேன்.

வெறும் கல்லாய் இருந்த என்னை
சிற்பமாய் உருவெடுக்கச் செய்தது எம்
கல்லூரியின் செயல்பாடுகள்-- ஆடல், பாடல், நடப்பு,
பேச்சு, வரைகலை, என எத்தனை எத்தனை.

நான் சோர்வடையாமல் கற்றது? எண்ணிலடங்காது?
இதுவே எம் கல்லூரியின் சிறப்பு.

My days as a Charlian

By Carmel Rosy

My experience in college has given me a chance to sharpen my skills in my field of choice. There have been and there will continue to be many opportunities to learn more ways of improving my skill at craft as a result of my time in college which I am truly thankful for.

My experience in college particularly the English programme that helped me gain more knowledge about variety of ways to teach English, not only has been a source of knowledge and skill to teach but has enabled me to be a versatile writer through the methods of story writing that I learnt to apply in the class room, thus improving my future career.

These experiences are truly irreplaceable and I would not trade them for anything. I may write 1000's of poems about it but still I won't be able to say completely what I feel.

The tree of our relationship has become so strong. These two years have passed in the blink of an eye. It seems like yesterday I joined here but time has come to say good bye. All my friends and all their memories are deeply rooted in my heart. The time that I have spent here has been like a beautiful creation of art.

Joy of College Journey

Those were the best days of my life, when fun and frolic was rife. A refreshing realm of knowledge, that was my college.

Funny friends, loving lecturers, flexible study hours, riddles and rumors, gossip and giggle –umpteen added spice to the junk I hogged at the college canteen.

I majored in English Literature, and the subject suited my sensitive nature. I was initiated into the world of stories, poems and plays, each lecture set my imagination ablaze.

My college was a literary paradise, where I learnt to critically analyze, every text that came my way, be it poetry, prose or play.

Free from the fetters of school, I willingly jumped into the knowledge pool.

Where education was mixed with entertainment, at college learning was never a punishment.

My life at College

The Most glorious phase of one's life normally they say is School days but amazingly my experience in the college is a milestone in my personal life. It has been a fantastic experience. I found the quality of the academic staff excellent.

The programmes are well organized and designed to combine academic teaching with learning experiences. This combination really worked and I feel that I have developed knowledge, skills and in personal competencies such as self-awareness, presentations, team work, and leadership.

The college has a great reputation for results and success because of dedication, support and motivated staff. The staff enable the students to accomplish their dreams! The facilities were just amazing and the place is homely. The college experience was definitely one that I will never forget.

I just want to thank you all for all your help extended to me and my classmates throughout two years. I can't express in words how much I appreciate it. It has been a wonderful year and I will never forget it.

Charlian Intercollegiate CULTURAL FEST

SCCE's vision is to form matured women teachers enlightened, empowered and committed to educate and empower the new generation to build a secular nation. Culture makes people understand each other better. And if they understand each other better in their soul, it is easier to overcome the economic and political barriers. But first they have to understand that their neighbour is, in the end, just like them, with the same problems, the same questions says Paulo Coelho. So this inter cultural fest can be one such platform to express themselves innovatively and democratically and to know who their neighbors are.

Culture can mean many things: it can be the language, food, clothing, religion, etc. "If art is to nourish the roots of our culture, society must set the artist free to follow his vision wherever it takes him." –John F. Kennedy. Here at Cultivating Culture through interchange of ideas we grow expanding our horizons.

Festivals have a great value and are indispensable to break the monotony of life. They offer a welcome break from the daily routine. The cheerfulness, joy of meeting friends gives a new vitality and energy to everyone. The nobler qualities they have and the cultural and social value, help not only to bring people together, but also keep traditions alive. They help in acquainting the new generation with the cultural heritage of their country.

At the Cultural Fest we keep connected to our roots, our culture, our values, and our origin and to preserve it. It's a day to enjoy coming together and celebrating through various competitions. It is a time to forget all the chaos of life and to embrace good hopes. Main purpose of Life is to live it fully with Joy and Celebration. Love whatever you do, Be Happy with everything you have and be thankful to God and lovable people - those make your life beautiful. By celebrating "togetherness" we shall not forget the responsibility the world has placed on the teachers. If there is chaos and confusions in the society it is we who are responsible for it. We shall first imbibe the qualities of brotherhood, respect, commitment, devotion for our life. We have the duty to teach the younger generation what these values are.

Everyone has given the innate power to shape one's life and others too. But we cannot just speak change, we have to LIVE change. Intent paired with action builds the bridge to success. We can't just want it; we have to do it, live it...BE it! As the saying of Mahatma 'Be the change you want to see in the world'. "Throw your dreams into space like a kite, and you do not know what it will bring back, a new life, a new friend, a new love, a new country."

Practice make WOMEN PERFECT

"Practice maketh a man perfect" is a very old proverb derived from the culled wisdom of centuries and is really true. All great sports persons practice their sports be it running, swimming, playing some game, etc., without fail everyday.

All great singers practice singing 2 to 3 hours everyday. All great shooters practice shooting everyday. Practice becomes a routine for them. You have to practice believing that you can really do it. There is no "Absolute Perfect", so being perfect is not the end result, but rather a person constantly practicing to get better is a perfect person.

"Practice maketh a man perfect"
Then what about women? is woman born perfect? Top of the class, faultless on the job, an award-winning partners, loveable wives and caring mothers. So why are so many women worried about how they perform? Why are they so afraid they aren't the best and most perfect? It's true. We still live in a society where, for a woman to be chosen, she has to be really special, and her CV has to be far better and perfect than a man's. Yet I don't think the reason many of us constantly challenge ourselves in the search for perfection is due only to the fact that more is demanded of us.

I think we are the ones who, above all, demand more of ourselves.

I have often heard, "I'm not sure I can do this job. I've never done it and I don't feel ready." Or: "Yes, I'm doing what I want to do, but I still have far to go. I'm not perfect."

Even when they rise to important positions, women don't feel that they have achieved a goal, that they can enjoy their success for a while and then maybe take a break. They immediately think about the next milestone and the tools they need to face it. It is as if the goalpost is constantly shifted forward, and the path is long and endless.

The first thing women should understand is that there is no such thing as perfection and that imperfection is far more fascinating and interesting than the model of the "wonder woman" who can do anything and never makes a mistake. Yet why is it so difficult to accept the fact that sometimes we under-perform?

One of the reasons is a lack of self-esteem. We always need to prove that we're good at what we do. We think we can do more, that everything we have achieved is not our own merit but a matter of luck. We can't fully appreciate our own worth.

For example, women earn less than men. For years, we have fought for equal pay, but before engaging in this battle and rightly so we need to learn to measure our capabilities and not always consider them a matter of opinion.

Above all, we should learn to talk about money, to assess what we do in economic terms. What is our work worth? What can we demand in exchange?

This is the first step towards gaining self-esteem. The second is thinking that it's human - normal - to make mistakes. It doesn't mean we're inadequate or unprepared. Making mistakes teaches you to do things the right way; making mistakes teaches you to start over. Making mistakes can be positive if this stimulates you to understand where and why that happened. It's not the end of the world.

The other aspect is that many women are unable to delegate to colleagues or partners who might be able to help.

"I'd rather do it myself, just to be sure" and "I'll work late because I want to finish the job myself" and "If I don't check everything, I won't sleep well" and "I'll go pick up my kid, because when he's with anyone else, including my husband, I worry." How many times have we said something like this or heard our friends say it? Countless times, as we are convinced that delegating part of our responsibility to others could lead to worse results: results that some might consider catastrophic. Nothing could be further from the truth. The only outcome of this behavior is that we end up putting together too many responsibilities that often don't mesh. And the desire for 360-degree perfection becomes impossible. The conviction that it's best doing it all on your own, that asking others for help is wrong, ends up blocking a woman's potential and, above all, it often hampers her career. Have we ever wondered why men leave the house and forget about everyday things, devoting themselves wholly to their jobs, while women are traditionally considered mother hens who take it all with them? It's true that the reason often lies in the fact that everything falls on their shoulders, but this isn't always the case. Sometimes women are the ones who are unable to ask for help because they don't trust the quality of that help.

Work-life balance is a key concept that has only recently entered into the agenda of businesses and governments. Men and women should certainly find a new balance between work and home, but again it is up to us women to serve as trailblazers and force ourselves to be different.

Revolutions almost always start from people and then go viral. If other women have managed to change their lives in a positive way, without denying their own nature, then we can too. Making mistakes, delegating, being imperfect: this should be our new mantra for a women to be perfect.
