Grading System

Assigning Grades for Successful Candidates

Each semester result shall also be declared in terms of grades. A six-point grading system which is based on the actual absolute marks scored and alpha – sign grade as described below shall be adopted for successful/unsuccessful candidates.

The semester Grade Point Average (GPA) shall be computed by dividing the sum of the Grade Point Weights (GPW) of all the courses of the study by the maximum credits for the semester. The GPW are in turn calculated as the product of the grade points earned in the respective courses and the credits assigned to that course. The maximum total marks for each course of study is 200, while the credit assigned is 5 (five).

The Cumulative Grade Point Average (CGPA) at the end of all the semester examinations shall be calculated as the weighted average of the semester grade point averages. The CGPA is obtained by dividing the total of semester credit weightages by the maximum credits assigned for the programme.

Conversion of Percentage of Marks into Grade Points and Award of Grades based on Absolute Marks

Range of Marks	Alpha-Sign Grade@	Grade Point
