

## IQAC Newsletter

The IQAC of SCCE completes the eighth year of its undaunted service. In a B.Ed College like ours it is always hard finding time for activities which are considered - 'redundant', 'could be ignored' and 'could be postponed'. But our IQAC members have never deviated from the plan drawn by the cell at the commencing of the academic year (June 2017). The meticulous planning, the resolute pursuance of the plan, the interim evaluation of its progress in executing the plan are commendable. IQAC's strategic plan is the absolute reason for SCCE listing a number of events and programmes held both in and out of the campus for enhancing the quality of our student teachers.

What we admire most in the admirable functioning of the IQAC is its generosity to accommodate time and people for those worthy activities which bring in newness in SCCE's curricular, co-curricular and extra curricular programmes.

I heartily thank the old and new members for their praiseworthy involvement in motivating all the stake holders, mobilizing the enthusiasm and monitoring all the activities of the year 2017-18 of which a few are brought to you here .

- Dr. Sr. Amali Anbarasi, Principal, SCCE

## Evaluation

"A Truthful Evaluation of Yourself Gives Feedback for Growth and Success", says Brenda Johnson Padgett. IQAC concentrates on conducting formative and summative assessment regularly through class tests, unit tests, terminal exams, revision and model examinations to evaluate the student teachers' performance. The other modes of evaluation are home test, quiz, seminars, group discussion, debates and group activities. Every programme in the college is evaluated and monitored by the IQAC so as to learn and perform better.

## IQAC feedback analysis

IQAC by its nature takes care of the development and application of quality benchmark and parameters of various academic and administrative activities of the institution. It has given priority in conducting feedback as a main tool of development. It has collected feedback from the resource persons, faculty, teaching practice schools, guide teachers, student teachers, parents and alumni. It is meticulous in maintaining academic plan and the quality of teaching learning programmes of the college. The peer and expert evaluation is conducted. The analysis and report are drawn statistically. Best practices of the year such as classifying the trees of the campus through TREE WALK programme, Seminar on KHADHI and BLACK BOARD ART will be compiled as booklets and assessed by IQAC.
